Sports Physical Resource List

The **BEST** place to get a sport's physical and an annual physical exam is with your child's physician. Annual exams are very important to identify current medical concerns AND prevent future problems. Please see the following list of clinics that will give pre-participation physicals for students who do not have their own family physician.

Please take the AISD forms with you so your child's physician can review the front page and complete the physical exam. **The AISD Pre-Participation Physical Packet is REQUIRED. NO OTHER FORMS WILL BE ACCEPTED.** All clinics require that the packet be completed prior to the appointment; including parent/guardian signatures. Please pick one up at your school or go on-line to www.austinisd.org/athletics/forms.
